LETTERS TO SANTA CLAUS

Dear Santa Claus,
My Mommie is writing this letter for me.
I haven't been a very good girl this year, but I hope you will bring me the toys I want.
Please bring me a "Hedda Get Bedda" doll, a Fascination Game, a Milk and Juice Bar and a Spinning Wheel.
Don't forget to bring my sister, Kimi, a doll and some other toys.
I will leave you some cookies and milk in case you are hungry when you get to my house.
I love you, Santa

Dear Santa,
I am a little girl six years old and I'm in the first grade. I think I have been real good even if my M other doesn't agree.
I'd like you to bring me a Hedda-Get-Betta doll, a sewing machine, a little red spinning wheel, maybe a bride doll, a nurses kit and some surprises. Remember all the little children on Christmas Eve and don't forget mothers and dads.
Love,
Pat Hudson

Mid-week Prayer Service, at 7:30. Investment Blessings Around the World!— This is the time of year when the proceeds from all Investment projects will soon be received. For nearly forty years, "Sabbath School Investments" has been blessing God's World-wide Mission work. S. S. members have been thinking up projects, and working investment plans to augment funds for an ever increasing need.

Indeed, there is no end to devices that may be used to open the way. A small child sells his story books, and devotes the money to Investment; a florist devotes the sale of certain flowers to swell the Investment Fund, and so, the stories go on, and on.

The Investment Secretary of the Appomattox Church, Mr. Frank D. Flynn, has already announced that 1961 will be our best year yet. There has been almost one-hundred participation, he said.

You've got nine Chevy II models to choose from. This is the Nova 400 Sport Coupe.

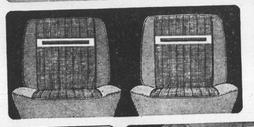
Luxury and low price were never blended so beautifully

Who but Chevrolet could've done it? Price, spice and everything nice! A car that's bustin' with room, zoom and richness. One that's deep in convenience and comfort. One that won't let you squander a thing but affection. Look over the beautiful new Chevy II Nova here, and light out in it at your dealer's. CHEVROLET

NEW CHEVY II NOVA

A SIX WITH V8 SCAT. You design a throaty Six (120 hp. strong) with special refinements like seven main bearings. You take your Six and team it with a car that is hundreds of pounds lighter than the big jobs—and, partner, you've got *Go!*

EASIER GOING RIDE. New Mono-Plate rear springs take the place of old-fashioned multi-leaf springs. Tough but ever so gentle, they help give you a ride that reminds you of the big Chevrolet—and you know how smooth *that* is.



RICH REFINED INTERIORS. Here's where you sit in the lap of luxury. Leatherlike vinyl upholstery. Foam-cushioned, of course. Carpeting and scuff mats. Vinyl overhead and chrome trim—the works!

EVEN BUCKET SEATS IF YOU LIKE. Comfortable, contoured for full support, padded with thick deep-foam cushioning, covered in rich leather-grained vinyl. Yours at slight extra cost in the Nova Sport Coupe and Convertible.

Body by Fisher

STRIKING NEW STYLING. Any way you look at it, the Chevy II Nova is a neat, nifty fashion plate. The lines are so crisp and clean we're tempted to call them "elegant" (except that sounds downright expensive and, as your dealer will happily show you, Chevy II is anything but!).

See the new Chevy II, '62 Chevrolet and '62 Corvair at your local authorized Chevrolet dealer's
